

## Warranty:

Aqua Literz (Product) is guaranteed to be free from defects in materials and workmanship for a period of ten years from date of manufacture. Additionally, Aqua Literz is guaranteed to pass FDA testing for microbiological attributes standards for bottled water for: Total Coliform and E.coli for a period of ten years from the date of manufacture.

This warranty shall be null and void if the product is stored at temperatures below 33 degrees Fahrenheit or above 149 degrees Fahrenheit, or improperly handled or stored including crushing, puncture, or otherwise damaging the packaging, or if the product is stored in proximity to hazardous materials or dangerous chemicals.

Determination of microbiological attributes shall be an independent laboratory qualified to test bottled water by the U.S. Food and Drug Administration.

If Product does not meet the above requirements purchaser will use its best efforts to afford Ready America the reasonable opportunity at Ready America's cost to inspect the allegedly defective Product at the location of its use or storage. Purchaser will, or will cause, upon request and in accordance with Ready America's instruction, return of any defective Product to Ready America at Ready America's cost.

Ready America's liability under this Warranty shall be limited to either reimbursement of the original purchase price for the product, or to provide replacement product at its sole discretion. Replacement product will be made available at place of manufacture.
